Byotrol Limited

("Byotrol" or the "Company")

Postponement of Interim Results and Trading Update

Due to ongoing negotiations relating to existing IP contracts, we are going to postpone the publishing of our Interim Results on 5th December along with our IMC Investor presentation on Wednesday 11th December. Once negotiations have concluded we will announce our revised timings, and in any event we intend to provide an update by the end of this month. In line with this, we will also delay the closing date of the next Asset Match auction.
